

Patient Participation Group (PPG) Sign Up Form:

We are encouraging patients to participate in our Patient Participation Group (PPG). We would like to be able to find out the opinions of a representative group of patients to help us develop our services to ensure we are responsive to patient's needs. We aim to meet with our PPG at least twice a year.

What is a Patient Participation Group ?

A PPG is generally used to describe a patient based group in a GP Practice. It is run in partnership with the practice to:

- Give patient views as to how services can be improved
- Help patients to be more informed and responsible for their own health
- Meet other patients and share experiences
- Support the practice to help patient's stay well
- Help to improve communication between the practice and patients

To ensure that we set up a reasonable sized group that is representative of our practice population, we would appreciate it if you could complete the form below and hand it back to reception.

Your contact details will only be used for this purpose and will be kept safely.

If you are happy for us to consider you being included in a group of patients that will be contacted by email or text message periodically, please complete your details below and hand the form back to reception or email it to us on LAMCCG.Waterloohcreception@nhs.net
